

PROFESSIONAL COUNTER

专业柜台

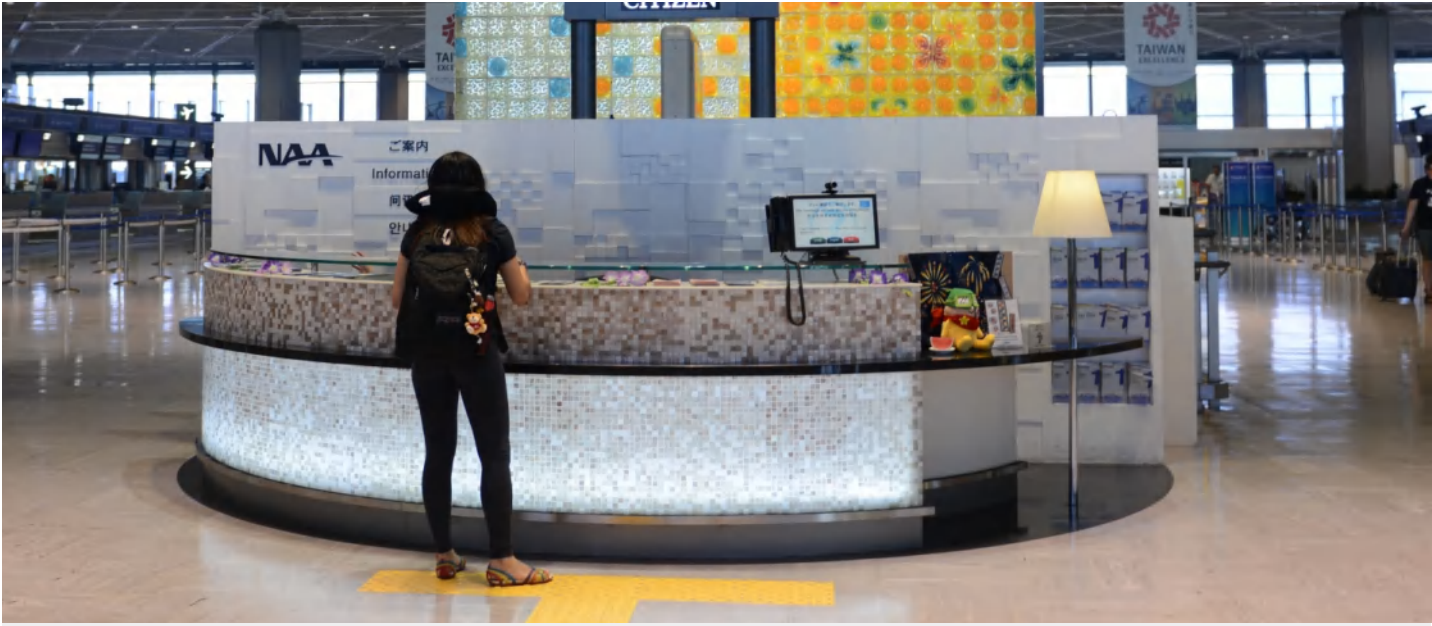

航站楼内专业柜台是旅客、工作人员接触频率最高的公共设施，材质选用不锈钢+木材+人造石的组合，经久耐用。流线型的外观造型具有人性化的功能设计，给人轻松愉快的感觉。

The Professional counter inside the terminal is a public facility which passengers and staffs contact most frequently. Its materials are an integration of stainless steel, timber and man-made stone and durable. Streamlined shape with the appearance of human functional design make you feel relaxed and happy.
